

Ten Test Taking Strategies that Develop Good Test Taking Skills

1. **“Jail” the Detail!** - Highlight, underline, or circle the details in the questions! This helps you focus on exactly what the question is asking.

2. **Be Slick and Predict!** - Predict what the answer is BEFORE you read the choices.

3. **Slash the Trash!** - Read ALL choices. Eliminate any choice(s) that you know is a wrong answer. The choice is obviously trash! Slash the Trash!

4. **Plug It In, Plug It In!** - Once you have chosen your answer, plug it in and make sure it makes sense.

5. **Be Smart With Charts & Zap the Maps!** - Charts and maps provide information to answer questions. Analyze all information provided before answering questions.

6. **Extra! Extra! Read All About It!** - If the directions say read....READ! Learn the difference between scan and read.

7. **Be A Whiz...With the Grid!** - Beware! If the answer is not bubbled in exactly right....Yikes! It will be wrong!

8. **Keep On Keeping On!** - If you get to a couple of questions that you just don't know, don't give up!

9. **If You SNOOZE, You Will LOSE!** - Don't leave a question unanswered. You will not have any chance of getting it right!

10. **Check It Out!** - When you have completed the test, go back and check your work. Go the extra mile to reaffirm your answers.
